How to Find Us

From Highway 2: Head south on Highway 2 until you reach Fort MacLeod.
Turn west on Highway 3 towards Crowsnest Pass.

From Highway 22: Head south on Highway 22 until you reach Highway 3.
Turn west on Highway 3 towards Crowsnest Pass.

Turn south on Highway 507 towards Beaver Mines and Castle Provincial Park.
At Beaver Mines, continue straight to continue on Highway 774 into Castle Provincial Park.
Turn left at the Beaver Mines Lake access road and continue approximately 5km.
Turn left at the Glamping Resorts sign to enter the resort.
Check-in centre is on the right.

Day One

4:00PM - Check-in

6:00PM - BBQ Dinner

Fire up your personal BBQ and have a delicious dinner just outside your unit.

8:00PM - Firepit and Sunsets

With your provided firewood, why not have a relaxing visit around the firepit? Watch the sun go down over the coulees and just enjoy the view from your private sitting area. Your first delivery of wood is on us, so remember to bring marshmallows!

Day Two

8:00am-Breakfast and Coffee

Brew some delicious local Crowsnest Coffee from Crowsnest Pass to sip while enjoying the sun coming over Beaver Mines Lake. Maybe you'll be visited by our resident deer, moose, or fox! Please don't feed the wildlife, though.

10:00am - Check out the Local Attractions

Consider prebooking an adventure with local operators to experience the very best of the area! We recommend Uplift Adventures for hiking, Eastslope Adventures for guided fishing, and Sweet Riders for bike excursions. Head into Pincher Creek to do some shopping and to explore Historic Main Street, or into Crowsnest Pass for golf, mine tours, art galleries, and the Frank Slide Interpretive Centre. Miner's Mercantile in Beaver Mines, Cinnamon Bear in Coleman, and Bear Grass Bistro in Pincher Creek offer great lunch options.

6:00PM-Dinner time!

Why not visit T-Bar Pub and Grub at Castle Ski Resort, Limber Pine in Coleman, or Green Bamboo in Pincher Creek for dinner?

8:00PM-Stargaze

With very limited light pollution, you can watch the stars for hours right from your unit, maybe even seeing a shooting star to wish on. On a quiet night, Beaver Mines Lake will reflect the moon and Table Mountain!

Day Three

8:00am - Breakfast and Coffee

Have another pot of awesome Crowsnest Coffee with your breakfast as you wake up to embrace another beautiful prairie day.

10:00am - Go for a Hike!

Just a short 2-minute drive from the resort entrance is the trailhead for Table Mountain! There are dozens of trails within Castle Provincial Park and out towards Pincher Creek and Crowsnest Pass to conquer. Or explore trails within the resort for a lighter walking experience.

12:00PM - Lunch

Whether it's a picnic lunch to enjoy while out walking, or a yummy sandwich back at your unit, have some good food to fuel you for the afternoon's adventures!

1:00PM - Play in the Water

Why not spend the afternoon at the beach? That's what lake vacations are all about, after all, and Glamping Resorts at Castle Provincial Park is no exception! Splash, swim, paddle, fish, or just relax at the waterfront on this magnificent stocked mountain lake.

6:00PM - Dinner time!

8:00PM - Firepit Relaxation

Spend your last night again around the firepit, enjoying friends, family, and perhaps a beverage or two to cap off your vacation.

Day Four

8:00am - One Final Breakfast

Enjoy one more breakfast at your unit, taking in the splendour of the Table Mountain, before packing up your belongings and your memories for the next part of your journey!

11:00am - Check-Out

We'll be sad to see you go, but hope you come back to visit us again! Glamping Resorts at Castle Provincial Park will wait for your next adventure out our way.
